

## Do You Open Your Mouth

Like a young bird and gulp down what ever food or medicine may be offered you? Or do you want to know something of the composition and character of that which you take into your stomach whether as food or medicine?

Most intelligent and sensible people now-a-days insist on knowing what they employ whether as food or as medicine. Dr. Pierce believes they have a perfect right to insist upon such knowledge. So he publishes broadcast and on each bottle wrapper, what his medicines are made of and verifies the same. This he feels he can well afford to do because the more the ingredients of which his medicines are made are studied and understood the more will their superior curative virtues be appreciated.

For the cure of woman's peculiar weaknesses, irregularities and derangements, giving rise to frequent headaches, backache, dragging-down pain or distress in lower abdominal or pelvic region, accompanied, oftentimes, with a debilitating, pelvic, catarrhal drain and kindred symptoms of weakness, Dr. Pierce's Favorite Prescription is a most efficient remedy. It is equally effective in curing painful periods, in giving strength to nursing mothers and in preparing the system of the expectant mother for baby's coming, thus rendering childbirth safe and comparatively painless. The "Favorite Prescription" is a most potent, strengthening tonic to the general system and to the organs distinctly feminine in particular. It is also a soothing and invigorating nerve and cures nervous exhaustion, erysipelas, prostration, neuritis, hysteria, spasms, chorea or St. Vitus's dance, and other distressing nervous symptoms attendant upon functional and organic diseases of the distinctly feminine organs.

A host of medical authorities of all the several schools of practice, recommend each of the several ingredients of which "Favorite Prescription" is made for the cure of the diseases for which it is claimed to be a cure. You may read what they say for yourself by sending a postal card request for a free booklet of extracts from the leading authorities, to Doctor Pierce's Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and it will come to you by return post.

## LOCAL BRIEFS.

## Soldier Bids Death Plot.

It seemed to J. A. Stone, a civil war veteran, of Kemp, Tex., that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me, in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds." For severe colds, obstinate coughs, hemorrhages, asthma, and to prevent pneumonia it's unrivaled. 50c. and \$1.00. Trial bottle free. Guaranteed by Crenshaw & Young.

P. N. Adams was in Higginsville Tuesday.

Mrs. John Welsh returned to Kansas City Monday evening.

Most cough cures cause constipation because they contain opiates, and you should be careful to take something that does not tend to constipate. You should take Kennedy's Laxative Cough Syrup. It not only allays inflammation and irritation of throat and lungs, but it drives out the cold from the system by a free yet gentle action of the bowels. Children like the pleasant taste that is so nearly like maple sugar. Sold by Crenshaw & Young.

## PE-RU-NA TONIC FOR COUGHS, COLDS, CATARRH.

JOSEPH H. CHASE.

Peruna Drug Co., Columbus, Ohio. Gentlemen: I have used Peruna and find that it cannot be equalled as a tonic, as well as a cure for coughs, colds and catarrh.

You are authorized to use my photo with testimonial in any publication.

Joseph H. Chase, 804 Tenth St., Washington, D. C.

Cold and La Grippe.

Mr. C. Happy, Harlin, Ray Co., Mo., writes: "I can safely recommend Peruna as a remedy that will cure all catarrhal troubles."

"It was of great benefit to me, as it cured me of catarrh of the throat, and I took a very bad cold and had la grippe last February. It settled in my throat and lungs. I took three bottles of Peruna and it cured me."

"I highly recommend it to all who are sick, and I am glad to add my endorsement to that of others."

## Pe-ru-na for Colds.

Mr. L. Clifford Figg, Jr., 2223 East Marshall St., Richmond, Va., writes that when he gets a cold he takes Peruna, and it soon drives it out of his system. For several years he was not entirely well, but Peruna completely cured him. People who object to liquid medicines can now secure Peruna tablets.

## Gamma Reception.

The Central college chapter of Eta Upsilon Gamma Monday evening entertained at one of the most delightful receptions ever held in the college parlors. There were about a hundred guests present. The decorations were tasteful and charmingly arranged, consisting of college pennants and cut flowers. Especially attractive was the rest room, where refreshments were served. The table was elaborately set with cut glass and silver, and decorated with roses and amallax. Mrs. J. N. Sturgis and Mrs. J. Q. Cope presided at the coffee urns. They were assisted by Misses Deal and McClure and Mrs. H. C. Ardinger.

The receiving line, consisting of the members of the organization, stood in the east parlor. The guests distributed themselves throughout the two parlors and in the front halls and indulged in pleasant conversation. Smith's orchestra in the west wing of the hall played the gathering with strains of the late popular music. Miss Catron, director of the vocal music department, accompanied by Mr. Little, sang several pleasing selections.

The reception was all that could be desired in every particular. The guests enjoyed themselves and did not leave until after the specified hour.

Alumnae present from a distance were: Miss Lucile Dowell, Miss Flora McClure, Miss Frances McClure, Miss Hoss Bob Taylor and Miss Corinne Herring.

"What makes you think our new congressman is going to be so successful as a speechmaker?" said one constituent.

"Because," answered the other, "whenever he hears a story that strikes him as funny he goes into the hall and makes a note of it in his memorandum book."

## "KID" SAW DIFFERENCE TOO

Admonition of Class President in Line with Views of Youthful Benefactress.

A young society woman, given to sociological experiments, recently organized a class of youthful vagabonds, ranging from ten to fifteen years of age, for the study of scientific subjects, dear to every boy's heart.

She secured a very immaculately attired young man to act as leader and teacher. At the first meeting the vast difference between cleanliness and grime struck her forcibly as she compared the appearance of teacher and pupils.

She was thinking of how she might broach the subject to the boys in a way that would not offend, when the newly elected president of the class arose and said:

"I want every one of youse guys to come here de nex' time wearin' collars an' ties. An' I want to see yur faces clean and yur hair combed."

## RUBBING IT IN.

Whatever mental conditions among the people may have occasioned the wave of Christmas post cards with which this country has been submerged, there are two classes of people who have received this baptism with mingled emotions. Those are the postmen and the women who live on the fifth floor and who have to run down stairs half a dozen times a day in obedience to the postman's imperious ring, only to receive a bunch of picture cards.

"My experience reached the limit the other day," said one victim. "One of my friends (?) forgot to affix a stamp and I had to pay the postage on a card myself."

## FASHIONABLE STONE FOR 1909.

The amethyst is the fashionable stone for 1909. It is pronounced by the prophet Zadkiel to be the "lucky stone."

If the love and friendship which the amethyst represents are of no account to wearers let them remember that it is also a charm against the evils of intoxication! Anyhow the art jeweler has seized upon this oriental superstition and set the stone in a myriad of designs which make it peculiarly lovely and attractive.

## HE AGREED.

Mr. Brown—Are you, Mr. Brown, in favor of clubs for women?

Mr. Brown—Certainly, my dear; clubs, sandbags, any old thing.

## AN OPERA EPISODE.

"Then I am to understand," he said, haughtily, "that you have no use for my voice in your opera troupe?"

Catti-Pazaza sneered faintly.

"Not in my opera troupe," he said, in a low tone. "But if you would allow me to patent it and put it on the market as a motor horn? Public taste in that line runs remarkably to the weird, you know, this winter."

## DODGE THE CAMERA.

The Michagansian, the college annual at the University of Michigan, has asked students with cameras to chase up the members of the senior classes to get photographs of the 1909 folks without their knowing they are being taken. To avoid being caught in ridiculous poses into which they may fall by chance the Michigan seniors are kept busy dodging folks who carry black boxes.

## GATHERING AMMUNITION.

"What makes you think our new congressman is going to be so successful as a speechmaker?" said one constituent.

"Because," answered the other, "whenever he hears a story that strikes him as funny he goes into the hall and makes a note of it in his memorandum book."

**Dr. Price's Cream Baking Powder**

A pure grape cream of tartar powder. Its fame is world-wide. No alum, no phosphatic acid. There is never a question as to the absolute purity and healthfulness of the food it raises.

**Microbes in the Scalp**

The Latest Explanation is That Microbes Cause Baldness.

Professor Unna of Hamburg, Germany, and Dr. Sabourand of Paris, France, share the honor of having discovered the hair microbe.

Baldness is not caused by a few weeks' work of these hair microbes, but is the result of conditions brought about by their presence. Baldness may not occur until years after the microbes began work, but is certain to come sooner or later.

The microbes cut off the blood supply. They feed on the fatty matter about the root of the hair, through which the blood is absorbed. Finally the fatty matter is wholly consumed, the food supply of the hair is gone and it starves and finally dies.

Resorcin is one of the most effective germ destroyers; Beta Naphthol is both germicidal and antiseptic; Pilocarpin, though not a dye, restores natural color to hair when loss of color was caused by disease. These curatives properly mixed with alcohol as a stimulant, perfect a remedy unequalled for curing scalp and hair troubles.

We want everyone who has any scalp or hair trouble to try Rexall "93" Hair Tonic, which contains all these ingredients. If it does not grow hair on your bald head, stop your hair from falling out; cure you of dandruff; make your hair thick, silky, luxuriant; if it does not give you complete satisfaction in every particular, return the empty bottle to us, and we will return every penny you paid us for it, without question or formality.

Of course you understand that when we say that Rexall "93" Hair Tonic will grow hair on bald heads, we do not refer to cases where the roots are entirely dead, the pores of the scalp closed, and the head has the shiny appearance of a billiard ball. In cases like this, there is no hope. In all other cases of baldness Rexall "93" Hair Tonic will positively grow hair, or cost the user nothing. Sold by Crenshaw & Young.
